LTHOUGH definite news of the whereabouts of the main Serbian army is lacking, the official Serbian report received here yesterday tells of severe fighting along a line extending roughly from a point east of Ivanjica to the region south of Kraljevo and Trstenik, where the Serbs are on the defensive. The latest German report referring to this region says the Teuton armies have crossed the first ridge of mountains south of Kraljevo.

In the south, while the Bulgarians are reported to have reached Kalkendelen, close to the frontier of Albania, the Serbs assert their forces are holding a line much to the east of Kalkendelen, running roughly from Gilan, across southern Morava to Kacanik and Babuna Pass, where the Serb army is in touch with the extreme left of the Franco-British expeditionary force. In the accompanying map the shaded portions represent territory occupied by the Bulgarian and Teutonic forces. The heavy indented line running from the region of Prilep to the south of Strumitza (in Bulgaria) represents the Franco-British position.

RUSSIA'S SPY, IS CHARGE Austrian Embassy Says Gorlear Is

in Czar's Pay. WASHINGTON Nov. 12.-Dr. Goricar, former Austro-Hungarian Con-sul, who was authority for the Provisul, who was authority for the Provi-dence Journal's story that every Austro-Hungarian consulship in this country is a centre for criminal activity in rela-tion to the war in Europe, was de-nounced as a spy in Russia's pay by the Austro-Hungarian Embassy to-day. It is hinted that the embassy is con-

States.
No comment was made by Adminis tration officials regarding the charges.

basey follows:
"Ex-Consul Dr. Goricar, formerly of San Francisco, had been on leave of absence at the time of the outbreak of the war and had been temporarily attached to the Austro-Hungarian con-sulate in Berlin. There, soon afterward, he obtained knowledge that the Aus-tro-Hungarian authorities had received information about his secret connections information about his secret connections with the enemies of Austria-Hungary, and, evidently fearing detection, he suddenly left his post without permission and disappeared. Later on it was learned he had gone to Italy and was staying in Rome, whereupon he tendered his resident to the stay of the stay of

erate with other neutral Governments in calling a conference of neutral nations, which would constitute a voluntary court of continuous mediation, would invite suggestions for settlement from each of the warring nations and in any case submit simultaneously to all of them reasonable proposals as a basis for passes.

The post card which Csiszar sent back to the Consul-General's office was signed "Berko," as that was the name treasonable proposals as a basis for passes.

"While in Rome it was ascertained that he was in close relations with Rustina and Serbian agents, obviously with the purpose of going to the United States to use his knowledge of the centres of Slavic immigration coming from under which the Austrian Captain sailed, and was addressed to Samuel Angel.

that Dr. Goricar's subversive activity suggest, incite or commit any accontributed to these regrettable acts of transport to the laws of this country

"The Austro-Hungarian Embassy has been thformed for several months of Dr. Capt. Csiszar's letter was sent from Beigrade November 25, 1914, and contained this sentence:

"The Minister of Foreign Affairs, Count Berchtold, I have called upon borne in mind that the preliminaries now going on with respect to the proposed mediation commission originate entirely with unofficial persons in the various neutral countries and in the nations at war.

"Manifestly that is the only way that if those in any of the countries admit defeat they would face revolution. As a matter of fact, however, all of them are beaten in the sense that none of the nations at war has gained anything for which the sense that none of the nations at war has gained anything for which the wars was stated and only the sentence:

"I want it understood," said Dr. Jordan things and carried on in this country, but has refrained untitioned this sentence:

"The Minister of Foreign Affairs, Count Berchtold, I have called upon personally and handed the letter of his Excellency, Dr. Dumba, whose reading I did not envy to the Minister, because on my voyage to Gibraltar I had it hidden between the sole of my shoe, You can, therefore, imagine yourself the smell which this letter betook."

The letter goes on to say how the Captain was ordered to Beigrade to report to his commander to begin active service. The letter concluded with this:

"How are the gentlemen getting on? I mean by this the half-gods, and my comrades in the office. Next time I will write you from the battlefield."

The Department of Justice began an investigation to-day of the charges.
